

# Zebra Kiosk Print Station

## Looking for a Low-Cost Self-Service Kiosk Solution?

You found it! An innovative, off-the-shelf, all-in-one kiosk solution, the Zebra Kiosk Print Station makes it easy and affordable to bring the benefits of self-service—like improved sales, greater customer satisfaction and reduced costs—to your business. The Zebra Kiosk Print Station accessory accommodates a Zebra® kiosk printer, a roll of Zebra media and a compact kiosk computer to form a complete, economical alternative to expensive custom kiosks. Simply add software to complete the solution.

- **Quick and Easy to Integrate**—Integrates all the kiosk hardware components into an easy-to-install device that simply mounts to a wall or pole.
- **Easy to Afford**—Its low cost results in rapid ROI, so even smaller businesses can reap the benefits of self-service kiosks.
- **Flexible Media Options**—The Zebra Kiosk Print Station supports up to 6" media roll, and widths of 2.3"/58 mm to 3.25"/82.5 mm.
- **Durable and Secure**—Sturdy, metal, lockable enclosure securely holds the printer and media, and a kiosk computer securely fastens to the unit—protecting all components from tampering and tough retail environments.
- **Easy to Service**—Enclosure opens completely to provide easy access for quick media changes and service.

Now it's convenient and affordable for any size business application to implement a self-service kiosk solution.

- An innovative, off-the-shelf and ready-to-ship kiosk solution
- Installs anywhere, pole- or wall-mountable
- So affordable, it's perfect for retail businesses of any size
- Accommodates a reliable Zebra TTP 2000™ or KR403™ kiosk printer

# Specifications at a Glance\*
